EATING RAMEN IN THE MORNING. "ASA-RAA" (SHORT FOR ASA RAMEN, OR MORNING RAMEN) IS A POPULAR FOOD CULTURE IN SHIZUOKA AND FUKUSHIMA (ESPECIALLY KITAKATA)!?

munch munch

Wouldn't daifuku made of Kitakata ramen be a good way to sweeten ramen and make it a thing?

Finally they made candy from Asa-raa...

BAG: FUJIEDA ASA-RAA CANDY

(T/N: Fujieda and Kitakata are cities in Shizuoka and Fukushima prefectures, respectively.
Daifuku is a Japanese sweet made of a small round mochi, glutinous rice cake, stuffed with sweet filling, usually anko, sweetened red bean paste.
